Our relationship with you as our home owners is important to us so we are continuing to look at developing associations with companies who can offer you a discount on the essentials for your holiday home. We are delighted to announce a new partnership with **Mattressman Ltd** - please see details below.

Mattressman are delighted to offer a 15% discount across their entire range to all partners of the Original Cottage Company. The Mattressman trade department specialise in high-quality mattresses for holiday cottages, hotels, and more, with an extensive trade range to suit all budgets.

Mattressman's trade department offer a luxurious pocket sprung mattress range, and highly recommend the Hotel Two Pocket and Hotel Four Pocket mattresses. The Hotel Two pocket is perfect if you're on a tighter budget, containing 1000 pocket springs that mould to the body to support your guests throughout the night, as well as durable man-made fillings. The upgraded Hotel Four Pocket contains a massive 2000 pocket springs, and natural wool and cotton fillings for incredible comfort. Pocket sprung mattresses are ideal for couples, with the individual movement of the springs limiting disturbance between partners.

For versatility, why not go for a zip-and-link mattress? You can buy the Hotel Two Pocket, Hotel Four Pocket, and many others in the Mattressman trade range in zip-and-link form. Zip-and-link mattresses come in either king size or super king size, and can be split into two small single or single mattresses, allowing you to convert your rooms from doubles to twins and back again with ease.

Every mattress in the Mattressman trade range is Source 5 flammability standard or higher, and orders over £45 qualify for free delivery the next working day.*

Browse the full range of domestic and trade mattresses at: www.mattressman.co.uk then call the trade department on **0800 5677625** to get the best deals, plus an exclusive **15% discount** for partners of the Original Cottage Company!

The Hotel 2 Pocket

The Hotel Two Pocket has 1000 pocket springs but luxurious amounts more fillings than the Hotel one, giving more of a medium to firm feel, with the hypoallergenic fillings, this mattress has a great feel for any guest staying at your residence.

THE
BRITISH BED
COMPANY

The Hotel 4 Pocket

The Hotel Four Pocket comes to you with a massive 2000 pocket springs and luxury natural fillings of wool and cotton for the perfect night's sleep. The pocket springs provide body moulding technology, minimising tossing and turning and soothing aches and pains. A source 5 cover sees that the product covers all legislations to perfectly sit within your establishment. A rod edge combined with the British Bed Company's own Bulldog Border creates a greatly extended sleeping surface and also stops the sides from sagging, increasing the life span of the mattress. It also stops you from rolling off the mattress. Guests will come back for more, just to sleep on this mattress.
